
Title: Ricardo's Research 9

Author: Ricardo.

Me new research suggests that Lord British may have taken the item needed to open the vault with him to protect it.

However, at the split of Trammel and Felucca, it seems there were many objects that were accidentally duplicated. This increases me odds a great deal.

I expect that any such artifacts will be here in Felucca. I must continue to be discrete in me inquiries lest the other thieves learn of me plan.

The more I think on it, the more I am awed by the crystal. I am starting to question me own pursuit of it. 'Tis unprofessional to entertain such a conscience, I know, but such power is staggering.
